Social skills and competences Very good relations skills thanks to several work experiences where I spent a lot of time with many people. I always have been in contact with people and thanks to that I feel confident in sharing my ideas and discuss about them.

Organisational skills and competences Very good team work thanks to football, my passion which I have practiced since I was 8 until the age of 27. Ending my career in the top category of amateur. I stopped playing football due to working reason.

Technical skills and competences Very good technical competences with computers and equipments thanks to my studies in high school.
